# RULES AND REGULATIONS

## SHIPPING INFORMATION

### *Your Submission Copy = Final Screening Copy*

Send us your movie (2 copies) on DVD, region free, NTSC or PAL. Filmmaker submits with the understanding that, if selected, we will strive to screen from the submission copy, so please send only your finished, ready-to-screen movie during the submission process. This also means that any disclaimers or logos, i.e. "Screening Copy Only", should be unobtrusive enough such that, if/when we screen, a festival audience will not be adversely affected.

Screeners will not be returned; they will be securely archived (or destroyed, at your request). We'd like to keep them on hand for future affiliated screening series, in which case we'll contact participating filmmakers with details.

***We are 100% committed to protecting copyrighted material!*** Bangkok IndieFest is currently recognized internationally by a variety of organizations as being exceptionally diligent in this area.

Filmmaker assumes cost of materials sent to the festival.

Entries should be sent with the following declaration: **"No commercial value--cultural purposes only"** If a value is required for customs purposes, please put \$1 US Dollar or the equivalent.

Bangkok IndieFest is not responsible for submissions that may be lost in transit. If your movie is MIA, you can of course re-send without an additional entry fee!

## SUBMISSION REQUIREMENTS

Each copy should include the following information: title, running time, filmmaker name, Tracking/PayPal number, and email address.

All submissions must be DVD region 1 or 0 or region-free; please make sure DVD is secured on its center spindle so it will not dislodge during transit.

Our intention is to exhibit at Bangkok IndieFest in a user-friendly digital format [DVD, currently] **Filmmaker submits with the understanding that that final exhibition format may be on DVD**—via their actual submitted DVD. Bangkok IndieFest will utilize, where possible, submission copy as final exhibition copy.

## **LANGUAGES**

Titles produced in languages other than English or Thai must have English subtitles.

Films must have all clearances and rights for public performance festival screenings; by submitting via this form, submitter confirms that all necessary rights are secured, and furthermore holds CamboFest harmless in the event they are not:

*\*\* By submitting, submitter authorizes Bangkok IndieFest to screen the submitted movie (Title) in a non-broadcast public performance theatrical film festival setting at Bangkok IndieFest and affiliated ongoing screening series. Submitter furthermore warrants she / he has secured all necessary rights for festival exhibition purposes, and holds Bangkok IndieFest, its founders, and staff harmless for any damages. \*\**

Thai filmmakers please be prepared to submit a reference, if necessary, in order to qualify for fee waiver for Local Filmmaker Showcase

Please send promotional materials or press kits only on an accompanying data DVD or CD.

**IMPORTANT!:** Do not send tapes in fiber-filled envelopes as the dust can damage viewing equipment.

All selected films / videos may be excerpted for publicity purposes, up to 1.5 minutes in length.

## **SELECTION REQUIREMENTS**

Filmmakers will be notified by email if accepted into the festival.

Films accepted into Bangkok IndieFest may be accompanied in programming materials by the contact information provided by entrant. Filmmakers who do not wish to have their contact information (i.e., email address) made publicly available should notify Bangkok IndieFest within one month of notification of acceptance.
